Mission Statement
We will provide engaging learning experiences so students can become effective communicators, quality contributors, and socially responsible citizens.

Vision
We are a cohesive, diverse community providing engaging learning experiences for all.

Core Beliefs
Partnerships between students, parents, community members, and staff are foundational to educational success.
Positive school culture and a safe environment foster growth.
Everyone has inherent value and deserves to be treated with dignity and respect.
Learning is an active process requiring engaging tasks and engaging minds.
Relevant and authentic experiences ignite continuous, deeper learning.
Meaningful relationships enrich learning.
Confidence fuels risk taking and higher achievement.
Financial stewardship ensures a tomorrow for education.
Comprehensive Needs Assessment

Demographics

Demographics Summary

Press Elementary School is a Title I school that serves a population of students representing the diversity found in McKinney ISD. Approximately 630 students are currently enrolled in Kindergarten through fifth grade. The 2018 TAPR shows the following demographic data: 33% Economically Disadvantaged, 39% White, 30% African American, 28% Hispanic and 4% Asian, 6% ELL, 24% At-Risk. Our mobility rate based on the most recent state accountability data was 18%.

Naomi Press Elementary provides many programs to meet the needs of our diverse learning population, including the ESL program, ALPHA (GT), and dyslexia support. Press houses two self-contained Special Education programs--Structured Teach Class (STC) and Functional Academics Class (FAC)--in addition to Special Education resource and speech programs.

We also follow the MISD guidelines for Response to Intervention (RtI) by providing tiered educational and behavioral interventions for general education students needing extra support.

Demographics Strengths

Our diversity is one of the strengths of the Press community. We serve students from a variety of ethnic and racial backgrounds as well as a variety of socio-economic levels.

Naomi Press Elementary has a relationship with Crosspoint Church through McKinney's 3e program as well as volunteers through the Reach mentor program to meet the needs of our students. We serve the elementary students from the Samaritan Inn through our McKinney-Vento program. We are also thankful for the support of our Communities in Schools liaison.

We consistently have strong attendance for events such as the Fall Carnival, Roar Rallies, class parties, and the 5th grade Promotion Ceremony.
Student Achievement

Student Achievement Summary

Achievement data shows students growing academically.

Student Achievement Strengths

Reading intervention efforts continued to increase the number of students who passed STAAR last year but had failed during a previous school year.

Significant improvement in the number of students passing the 5th grade science STAAR.

The number of students needing to attend summer school for the Student Success Initiative (SSI) decreased.
School Culture and Climate

School Culture and Climate Summary

Naomi Press Elementary will base all decisions on what is best for our students. We will treat all people with dignity and respect. The core focus will be to build relationships that foster success in all areas.

Our Press Lives Kind program encourages kindness throughout the building and in the community. Students participate in projects throughout the year to spread kindness.

School Culture and Climate Strengths

Campus wide behavior expectations have been implemented which has led to improved student behavior.

Student exhibiting positive character and behavior will be recognized through a campus wide implementation of a Positive Behavior Intervention and Support (PBIS) system. Students are also recognized for kindness at the monthly Roar Rally assemblies.

Naomi Press Elementary has a relationship with Crosspoint Church through McKinney's 3e program as well as volunteers through Reach mentor program to meet the needs of our students. Each year our number of Reach mentors has increased.

Staff surveys in previous school years indicated a need for increased staff recognition of accomplishments of both individuals and teams. Staff members now indicate that they feel recognized for their hard work in the classroom and around the school.
Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Average experience of the teachers at Naomi Press Elementary: 12 years

Average experience in MISD: 6 years

We continue to recruit and hire teachers to accommodate our campus growth.

Staff Quality, Recruitment, and Retention Strengths

All teachers at Naomi Press Elementary meet highly qualified criteria and have ESL certification.

Low teacher to student ratios allow for personalized instruction tailored to meet student needs.
Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Instructional Coaches are in place to support the disaggregation of student data and assist teachers in designing engaging lessons for students which will result in increased student achievement for all.

Naomi Press Elementary implements the Texas Essential Knowledge and Skills using the curriculum provided by McKinney ISD. We follow a balanced literacy approach to reading and writing instruction.

Curriculum, Instruction, and Assessment Strengths

Naomi Press Elementary staff meet weekly in collaborative teams to design engaging lessons that meet the needs of students.

The Forethought and Aware programs through Eduphoria will continue to be used as we work to tightly align our curriculum standards and measure our students’ learning.
Parent and Community Engagement

Parent and Community Engagement Summary

The PTA continues to grow and reach families. A Dad's Club has also been formed to engage male parents. There is high attendance at campus events as well as parent-teacher conferences. We continue to work to engage the entire parent community.

Parent and Community Engagement Strengths

Press parents are very supportive of the school. We have strong attendance at Meet the Teacher, the Fall Carnival, class holiday parties, the Press Family Picnic and other schoolwide events.
School Context and Organization

School Context and Organization Summary

This is Mrs. Constantinescu's 1st year as principal at Press Elementary. Dr. Weems has served as the assistant principal for 7 years. A few teachers that are new to MISD have joined the staff in order to accommodate our growing population. Team Leaders will be used as campus decision makers and monitors of fidelity in planning and instruction.

School Context and Organization Strengths

A group of teacher leaders were chosen to design and facilitate the implementation of a school wide Positive Behavior Intervention and Support (PBIS) system. This group continues to lead the PBIS initiative. Last year office referrals were decreased by 20%. A continued decrease is expected this school year.

Another group of teacher leaders has helped introduce Restorative Practices to the Press community. Teachers have daily community circles and implement a variety of activities to increase social-emotional growth.
Technology

Technology Summary

Naomi Press Elementary is blessed with an abundance of technology tools. Our Media Resource Specialist is a great leader in the application of these tools and supports students and teachers as they use these tools to increase student success in learning. We have SMARTboards, and macBooks/iPads across the campus and accessible to students and teachers.

Technology Strengths

We are almost at a 1:1 device to student ratio building wide.

Our teachers focus on using technology to enhance lessons and creativity.
